FAQ

1. **What sets My Code apart from other agencies?**

   Our unique combination of creativity, technical expertise, and commitment to client satisfaction sets us apart. We pride ourselves on delivering high-quality projects efficiently and competitively.

2. **Who are your typical clients?**

   We work with a diverse range of clients, from startups to major brands and established companies.

3. **How can I get a quote for my project?**

   You can get a quote by contacting us through our website's contact form or by emailing us directly at [Mycode39@gmail.com]

4. **What is the process for starting a project with My Code?**

   The process typically starts with an initial consultation to understand your needs, followed by a proposal outlining the project scope, timeline, and cost. Once the proposal is approved, we require a deposit before beginning the design and development phases. This ensures that we can allocate the necessary resources to your project and commit to delivering high-quality work on time.

5. **How long does it take to complete a project?**

   Project timelines vary depending on the complexity and scope of the work. During the proposal stage, we provide an estimated timeline tailored to your project. Our team is committed to delivering your project as quickly as possible while maintaining the highest standards of quality.

6. **Can you work with clients outside of Egypt?**

   Yes, we work with clients from around the world. Our team is experienced in handling remote projects effectively.

7. **Can I see examples of your previous work?**

   Absolutely! Please visit our portfolio page to see examples of the projects we have completed for our clients.

8. **What is your pricing structure?**

   Our pricing is based on the specific requirements of each project. We provide detailed quotes after understanding the scope and complexity of the work involved.
